INTRODUCING

OZ Signature

\$169.00

- 1200 MPa
- Suitable for any indication! (*single unit to 14 unit bridges*)
- Combination of 5Y-TZP + 3Y-TZP for premium esthetics & optimal strength
- Innovative gradient technology that offers a seamless progression of shade & translucency
- Milled from a shaded puck
- 20 available shades
- Customizable with MiYO® staining

THE OTTAWA ZIRCONIAS

OZ

OTTAWA ZIRCONIA

FULL CONTOUR ZIRCONIA

- Excellent Fit
- Extremely durable
- Biocompatible
- Superior strength over 1100 MPa
- Low plaque affinity and low coefficient of thermal expansion make it ideal framework for prosthetic restorations

\$120.00

OZT

OTTAWA ZIRCONIA
TRANSLUCENT

- Optimized Microstructure provides Higher Translucency
- Significant Flexural Strength Exceeds 800 MPa
- Consistent Shades
- Predictable Translucency

\$128.00

OZS

OTTAWA ZIRCONIA
SIGNATURE

- 1200 MPa
- Suitable for any indication! (single unit to 14 unit bridges)
- Combination of 5Y-TZP + 3Y-TZP for premium esthetics & optimal strength
- Innovative gradient technology that offers a seamless progression of shade & translucency

OEZ

OTTAWA ESTHETIC
ZIRCONIA

LAYERED ZIRCONIA

- Optimal Esthetics
- Extremely Accurate Margins
- Consistent Stain & Glaze Results
- Opaques out dark preps for accurate shade match
- Natural translucency by layers of porcelain over a zirconia substructure

\$209.00
