Optimize Your ODL Experience

Custom Shade Appointments: Call to schedule!

We offer custom shades Monday-Friday in our laboratories. All shades are taken by our highly experienced technicians with the latest shade guides and technology. Shades are taken in a color-controlled environment for aesthetic results.

Customer Portal: Have you registered yet?

Utilize the ODL customer portal! This will allow you to access your account information, view and pay balances, verify case status, make payments, schedule pick-ups, and so much more!

To Register: Have your account number ready, visit www.ottawadentallab.com, click on the customer portal link, and follow the steps to register your account.

Website Live Chat: www.ottawadentallab.com

For quick and effective communication, feel free to send us a message using the live chat feature on our website.

This is available to you during our regular business hours: **Monday-Friday, 8:00am-5:00pm.**
