Custom Shades

**Where Restorations and
Artwork Come Together!**

Ottawa Dental Laboratory offers in-lab custom shade services for all of your patients. We strive to provide the utmost convenience, while creating a natural and predictable prosthesis.

Advantages When Using ODL For Custom Shades:

- Custom Shades Taken by Our Experienced and Skilled Certified Dental Technicians to Ensure Shade Accuracy
- Utilize the Latest Shade Guides and Technology
- Offered 5 Days a Week at **ALL** Locations
- Taken in Color-Controlled Environments for Precise, Esthetic Results

We want to ensure our customers have the best experience possible; therefore, custom shades are taken in lab and require an appointment.
